HOBBIES/OTHER SPORTS

In my spare time, I enjoy playing and training for softball, spending time with my family, during the summer enjoying the pool and beach, watching documentaries and listening to music.

SUMMARY

I am currently attending Smyrna High School with an environmental science and business pathway. I play softball for my high school as well. I successfully achieved high honors last school year. Beyond high school, I plan to attend college to attend college pursuing my business degree and hope to play softball in college while balancing academics and sports. My ultimate goal is to serve my community in a public servant role.
